

## OFC Core Values

### **Jesus Centered**

Jesus died and rose from the dead to save us from our sin. He is Lord and King of the universe and therefore he is the center of our lives and everything that we do as a church. At One Fellowship Church it is all about Jesus!

### **Biblical Authority**

The bible is our final authority as a church and the place where true wisdom and real-life change is found instead of our ideas, thoughts, opinions, and other worldly wisdom. Therefore, we seek to know it, believe it, obey it, and teach it.

### **Persistent Prayer**

Because God has reconciled us to himself through faith in Jesus, we now have full open access to God. Therefore, we seek to draw near to God in prayer, persistently depending on him to move in our lives, church, community, and world.

### **Loving Community**

We are a family of followers of Jesus that actively take responsibility for one another by fully knowing and fully loving each other in the context of our local church.

### **Dignified Diversity**

We value the dignity of all people as those made in the image of God! We recognize that historically in our culture the dignity of black and brown people has not been valued as it should. Therefore, we see it as important to have a concern for the dignity of black and brown people in our society and in our culture as a church. Dignified diversity not only speaks to ethnicity but also to age, marital, and socio-economic status.

### **Generous Stewardship**

We are not consumers but participants in God's mission by using our time, spiritual gifts, and financial resources to make a difference for the kingdom of God through One Fellowship Church and beyond.

### **Intentional Discipleship**

We work to create an atmosphere where each member can grow in being more like Jesus and developing their spiritual gifts for the glory of God and the service of the church and others.

### **Holistic Missiology**

We go to all people, doing everyday things with Gospel intentionally to see people become followers of Jesus in the city of Indianapolis and throughout the world. This includes sharing the message of the gospel and showing concern for the needs of people and pursuing biblical justice where we see it lacking.
